### **EXTENTION OF A NON-BINDING MEMORANDUM OF UNDERSTANDING**

Reference is made to the announcement of Huscoke Resources Holdings Limited (“**Company**”) dated 14 September 2010 and 14 March 2011 (“**Previous Announcement**”) regarding, among other things, a non-binding Second MOU relating to the proposed cooperation with Golden Rock in the construction of a coking plant with a projected annual production capacity of approximately two million tones. Terms used in this announcement shall have the same meanings as those defined in the Previous Announcement, unless the context otherwise requires.

Since some additional time is required for, among other things, completing the due diligence works and negotiation with Golden Rock for the proposed cooperation, on 14 June 2011, Golden Rock and the Company has entered into a supplemental memorandum to extend the validity period of the Second MOU for six more months to 14 September 2011.

The Board wishes to remind shareholders of the Company that there is no assurance that any binding agreement(s) in connection with the First MOU and/or the Second MOU will be signed between the parties. The Proposed Transactions may or may not proceed individually or collectively. The Proposed Transactions may or may not constitute a notifiable transaction under the Listing Rules. Further announcement(s) in relation to the Proposed Transactions, if such constitutes a notifiable transaction, will be made by the Company as and when appropriate in compliance with the Listing Rules.

**Shareholders of the Company and public investors are urged to exercise caution when dealing in the Shares.**
